Mythical Creature Quiz

Description

Using a PowerPoint presentation and handouts, kids will try to guess the mythical creatures. Clues for each creature will include geographical location, description and image.

Selected creatures are: dragon, unicorn, bigfoot/sasquatch, kraken, dirawong, qalupalik, dokkaebi, ymir, ninki nanka and siren.

We encourage you to incorporate *The Book of Mythical Beasts and Magical Creatures* by Stephen Krensky and Pham Quang Phuc in your program by reading a few short excerpts after the presentation (if you have time) to get kids interested in learning about mythical creatures.

Number of Participants

For a minimum of two participants

Space Considerations

Any space indoors where a PowerPoint presentation can be set up for participants

Competencies

- Following directions
- Memory
- Reading comprehension
- Understanding and appreciation of animals
- Vocabulary building

Materials

- Mythical Beast Quiz participant quiz sheets
- Mythical Beast Quiz PowerPoint presentation
- Pencils with erasers

Preparation

- Test the Mythical Beast Quiz PowerPoint presentation at some time before your actual program
- Print the Mythical Beast Quiz participant quiz sheets

Implementation

1. Set up the PowerPoint presentation
2. Explain the program and the types of clues they will be given
3. Play the presentation
4. Read some excerpts from *The Book of Mythical Beasts and Magical Creatures* by Stephen Krensky and Pham Quang Phuc (optional)

Accessibility Considerations

- Read clues and multiple-choice answers aloud twice
- Describe the image once the correct answer has been revealed
- Provide materials about mythical creatures for different reading levels and varying formats
- Do not rush through the program; if time is running out, just do a few questions and encourage kids to learn more about mythical creatures
