Stella Maris (Dec 2022)

By: McCarthy, Cormac, 1933-2023

1972, Black River Falls, Wisconsin: Alicia Western, twenty years old, with forty thousand dollars in a plastic bag, admits herself to the hospital. A doctoral candidate in mathematics at the University of Chicago, Alicia has been diagnosed with paranoid schizophrenia, and she does not want to talk about her brother, Bobby. Instead, she contemplates the nature of madness; she surveys the intersection of physics and philosophy; and she introduces her cohorts, her chimeras, the hallucinations that only she can see. Told entirely through the transcripts of Alicia's psychiatric sessions, Stella Maris is a philosophical inquiry that questions our notions of God, truth, and existence.
